## Short Slants at Sports

Fairmont Normal will probably play another game with Marietta college this season, that college having offered Normal a game here Friday night. Because Muskingum is met Saturday night, Normal did not take the game but has opened negotiations for a game to be played on another date. A game was offered by Westminster college for last week but because of the W. & J. and Salem games, could not be accepted.

There is a suspicion prevalent about the "Y" that if the water in the pool were kept at a little higher temperature there would be more folks swimming, unless a person takes a dip every day and starts early in the season and keeps up with the temperature changes, the temperature of the water in the pool is intolerable. In summer when the water is mild, the pool is filled from morning till night, but in the winter time a person in the pool is a rare sight.

Tom Jones must have fainted before he offered \$60,000 for a Gibbons-Darcy match.

Fred Welsh says the reason he boxed in Milwaukee was because he didn't want to disappoint the fans. Incidentally he mentions a \$15,000 advance sale.

Bob Fulwell has been added to the list of pacifists. His contract ends if war is declared.

Jack Barry wants to trade Joe Wood for Steve O'Neil. If Wood comes across like he did last season Steve ought to feel complimented.

Brewers to train in Texas, says a headline. They'll have to go easy. Part of Texas is dry.

Oh, yes, there was some talk of a baseball strike, wasn't there.

BATES SIGNS WITH NEWARK STEUBENVILLE, O., Feb. 13.—Johnny Bates, former National league outfielder, has been signed to play with the Newark International league club this season according to an announcement made by Manager Needham at his home here.

## JOHN OLIN, WHO MADE STECHER QUIT, IS OUT AFTER AMERICAN CHAMPIONSHIP!

By PAUL PURMAN. Followers of the wrestling game are asking themselves "who is this fellow, Olin, who made Joe Stecher quit in Massachusetts?"

The news that Olin has forced Stecher to quit the mat came as a great surprise. Stecher has been hailed as the greatest wrestler in the world, the only man who was capable of assuming the title of American champion at the retirement of Frank Gotch.

His powerful scissors hold had disposed of all comers except the elusive Strangler Lewis, whom he wrestled a four-hour draw in Omaha and practically every wrestler in the country was regarded as a "set-up" for the Nebraskaan.

Then came the news that Stecher had quit cold in a match with Olin. He left the ring after Olin had broken his supposedly unbreakable scissors. Olin is a Finn. He was born in Helsinki and is 39 years old. A tanner by trade, Olin early became the most dangerous wrestler among his fellows and became so proficient that in 1912 he was chosen to represent Finland in the Olympic games. It was at Stockholm that Olin showed that he was a true sportsman. The eliminations had centered down to a three-cornered fight between Olin, George Saarela, another Finn, and S. M. Jensen, a Dane, the latter two being drawn for the semi-final match, the winner to wrestle Olin for the championship.

## An Effective Laxative For Growing Children

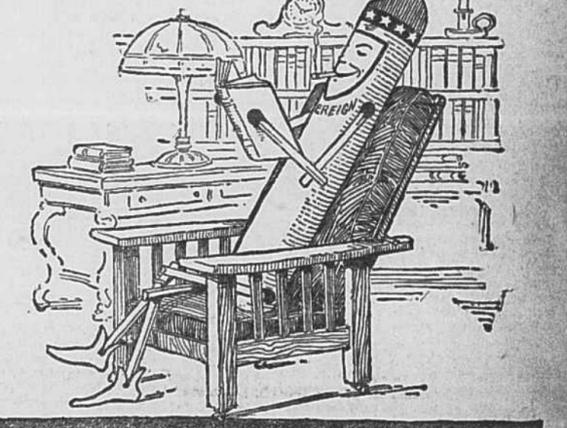

DR. CALDWELL'S SYRUP PEPSIN HIGHLY RECOMMENDED AS A FAMILY REMEDY.

In children the slightest irregularity of the bowels has a tendency to disturb the entire digestive system, and unless promptly remedied invites serious illness. The experienced mother knows that by training her children to regularity in this respect and when occasion arises administering a mild laxative, she will have little need for the doctor's services.

Mrs. Leo Weigand, 3251 Central Ave., N. S., Pittsburgh, Pa., whose two boys, Frank and Joseph, are shown in the illustration, writes that she has found Dr. Caldwell's Syrup Pepsin a most effective laxative, not only for the children but also for herself, and that she will always keep it in the house to use when needed. Dr. Caldwell's Syrup Pepsin is a combination of simple laxative herbs with pepsin that acts easily and naturally, without griping or other pain or discomfort. It is pleasant to the taste so that children like it, and is equally effective on the strongest constitution. Dr. Caldwell's Syrup Pepsin can be obtained at any drug store for fifty cents and should have a place in every home. It will save many times its cost in lessened doctor bills and maintain the health of the entire family. To avoid imitations and ineffective substitutes be sure to get Dr. Caldwell's Syrup Pepsin. See that a facsimile of Dr. Caldwell's signature and his portrait appear on the yellow carton in which the bottle is packed. A trial bottle, free of charge, can be obtained by writing to Dr. W. B. Caldwell, 455 Washington St., Monticello, Illinois.

## "A Scholar and A Gentleman!"

**A Good Horse— A Good Dog— A Good Cigarette—**

Right breeding is a fine thing, friend,—so is right reading, right thinking and right living. If you may say of a man that he is a scholar, and a gentleman, and a Southerner—you have said it all, men, you have said it all!

Why, it's the love of good things that makes men of us,—a good home, a good book, a good horse or a good dog. Yes—and a good cigarette!

So, I say to you, if you like the things that are real, you'll like me—SOVEREIGN.

I have blood and breeding—and, oh! so carefully raised in one of the lightest, brightest, whitest homes of all the South.

Good stock, too—fine old mellow Virginia and Carolina tobacco, the grandest in all the world.

**You Folks of the South KNOW good blood! You Folks of the South KNOW good tobacco!**

We are sure to be friends because I am an aristocrat, too—one of the better and finer things of life. And here's another good reason,—

I am guaranteed by *The American Tobacco Co.* —Buy me. If you don't like me return me to your dealer and get your money back. I have said it. A Southern gentleman is known the world over for keeping his word, and I have given you mine.
